

# SILVERLIFE **TOPICAL SPRAYER**

*Heals non healing wounds*

For  
cleaning  
and  
dressing  
all  
types  
of  
wounds

SilverLife is a wound management product consisting of 10mcg/ml silver ions in deionised water. It starves, suffocates and stops microbes cell division.

SilverLife Topical sprayer has potent anti-microbial properties, destroying both bacteria and fungi including MRSA and MDR strains.

# SILVERLIFE TOPICAL SPRAYER
